We Are MezeMe

Meze Me has established a reputation for quality food and service in the Hills district since 2012.

Now located at the serene Regal Gardens in Annangrove, Meze Me offers a contemporary fusion of Moroccan, Middle Eastern and French styles in a relaxed and spacious setting.

We strive to offer a variety of unique styles of dining, ranging from generous breakfast options and meze plates to share through to a more refined a la carte dinner menu.

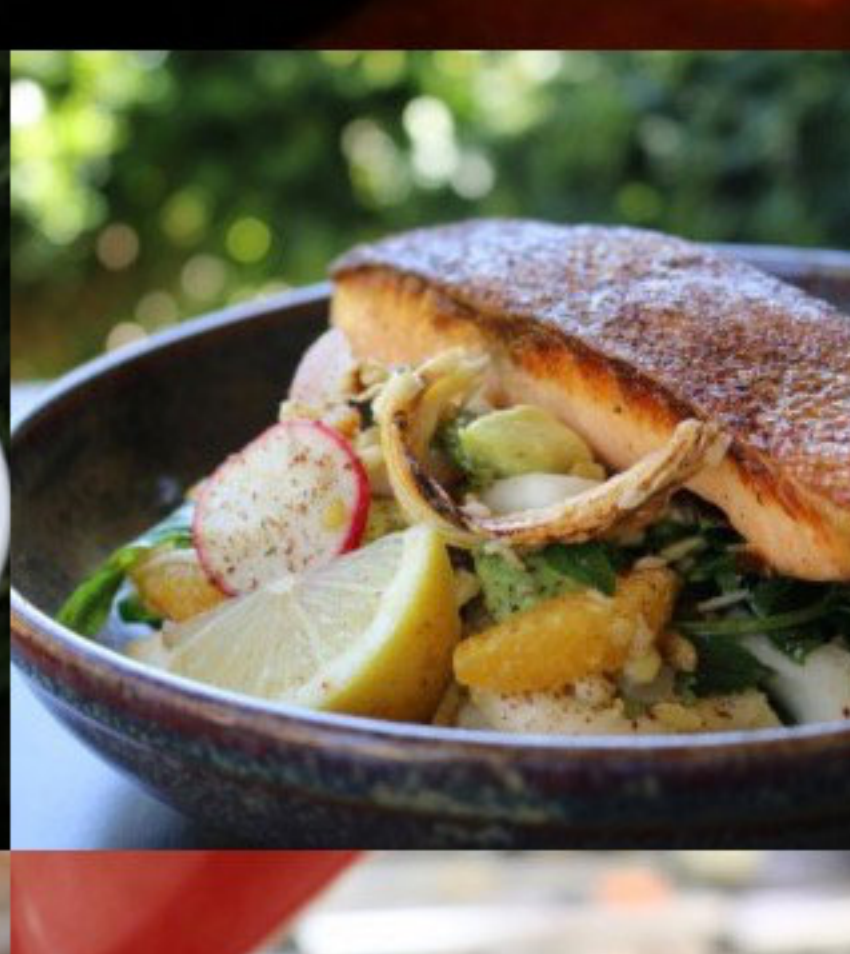

With a capacity of over 250 covered seats, the restaurant also offers the potential for weddings and functions with a host of traditional or contemporary menu options.

The spacious design, full bar and extended menu combine to make Meze Me Grove the next step for fans of the previous cafe at Rouse Hill.
